

LMPA Adopt-A-Lake 2016 Report Form

It's time to search, pull, remove fragments & track your time!!!

Greetings! Lake Morey looks quite milfoil free, except for a patch in the Northeast. While you're enjoying Lake Morey, please keep your eyes out for milfoil and record your searching, pulling and fragment removal time. If you're not sure whether you're looking at milfoil, your area monitor or Barbara Duncan would be happy to help identify the plants.

This is the first of two reminders to complete the Adopt-a-Lake form printed below. Please get a good start by starting your tracking now! You can drop this Report Form at the Town Hall or mail it the Fairlee Town Administrator Brian Hanson, P.O. Box 95, Fairlee, VT 05045 by **September 15th**. You can also complete the form and email it to barbara.duncan@valley.net or complete the Form at www.lakemorey.org. The State requires volunteer hours to minimize the use of aquatic pesticide. Our hours are credited toward the total cost of eliminating milfoil. Please do your part in searching, pulling, removing fragments and tracking your time.

The LMPA has expanded its team of greeters to a staff of Parker Thurston, Chelsea Lynes and Todd Driscoll. They rotate early morning and late afternoon shifts and would welcome a visit anytime. We have an unexpected need for greeters for August weekends and are actively seeking help! If you are interested in working as a volunteer greeter, please get in touch with Peggie Bissell at peggiebissell@gmail.com. This program has thrived thanks to Peggie's leadership and Peter Massicott's Greeter Hut construction. Our team also includes Bruce Durgin and Barbara Duncan.

REPORT FORM

Name: _____

Cottage Name: _____ Street Number: _____

Number of Hours volunteered

_____ Watcher/Searcher
_____ Hand-Puller (includes removing fragments)
_____ Greeter
_____ Area Monitor
