

**LMPA**  
**Adopt-A-Lake 2023 Report Form**

**We continue to be concerned about milfoil and other invasive species in Lake Morey. Your participation in the Adopt-A-Lake program is important to the funding we receive from the state. Please search for milfoil and remove any fragments. Report any other invasives as well!**

**Track your total time on this report form.**

**Use the table on the reverse side of this form to document the date, activity, and time spent on milfoil search/removal activities, then carry totals over to this page.**

You can drop this simple form at the Town Hall or mail it to the Fairlee Town Administrator at P.O. Box 95, Fairlee, VT 05045 by September 15th. You can also find this Adopt-A-Lake form on the LMPA website at [www.lakemorey.org](http://www.lakemorey.org).

The State requires that we track our volunteer hours to minimize the use of aquatic pesticides. Our hours are credited toward the total cost of eliminating milfoil. Please do your part in searching, pulling, removing fragments, and tracking your time. The state is requiring volunteers to document the hours submitted by listing: 1) the type of activity (searching, hand pulling, greeter, monitor, scuba diver); 2) the date, and 3) the hours spent.
